Notes

Everybody
- **Project01** directory, not **Lab14**, **Project 1**, etc

Blackjack
- `import java.``net``.Socket;`

Wordle
- Please read `words.txt` from the <u>current directory</u>, not an absolute path
- You can put `words.txt` where you test, and I will copy it to the test directory for grading
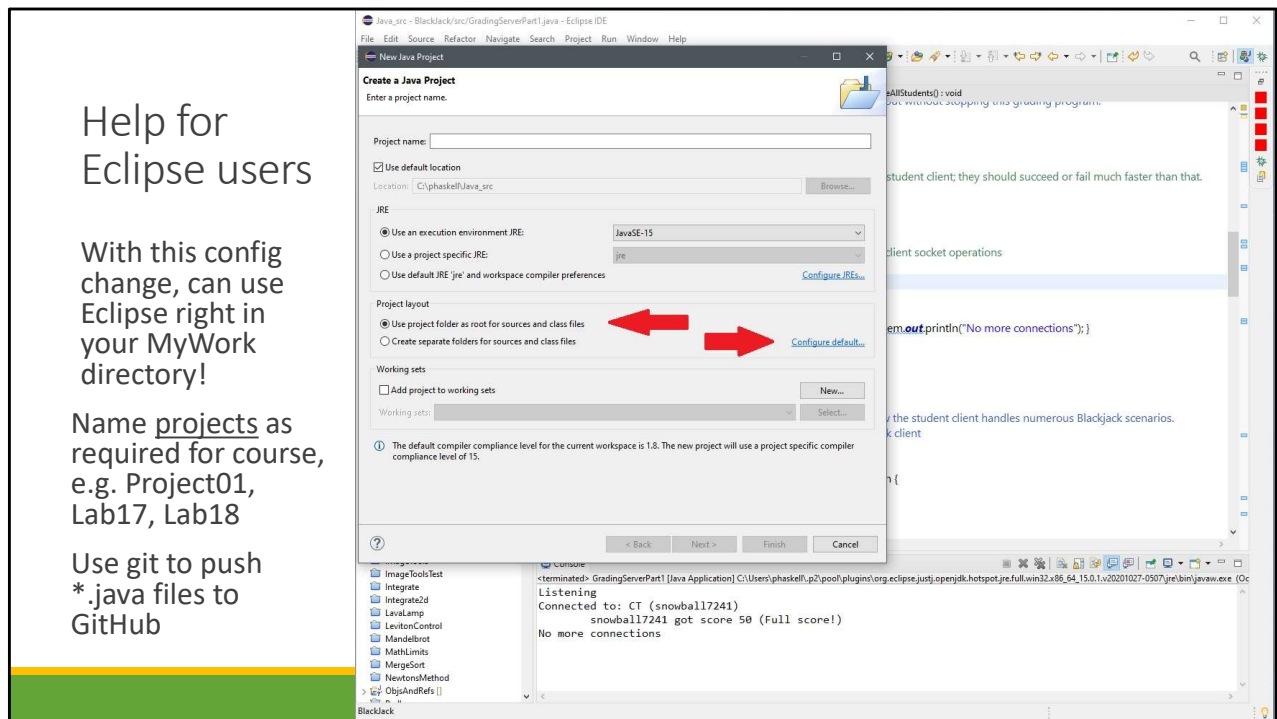

Quiz Wednesday!

Make "MyWork" an Eclipse "Workspace"!
Show how to switch workspaces
